

Ryan Odell Elder Bio

I grew up in the church with parents who were always actively involved, came to Christ at an early age and have been striving to follow him since. My wife Jenn and I met in college in Fort Collins and have been married for twelve years. Starting in college, Jenn and I have been blessed to be involved with several church plants / startups. These church plants start out very small and lend themselves to creating intimate relationships with others as well as necessitating increased involvement in the weekly church duties. Being a part of these church plants has created a greater desire to be actively involved in any church and community where God leads us.

Jenn and I originally started attending DCC in 2007 when we moved to the area for work. We were here for a few years, but work eventually moved us down to Denver. We were initially disappointed to have to leave the county, but this actually turned out to be an incredible blessing as we were in God's perfect plan and right where we needed to be in order to allow our oldest son to get extended medical treatment. He has since completely recovered and God brought us back to the county in 2014 and back to our DDC community. We now have two additional sons and have been actively involved in DCC ever since.

I have a love for people both inside and outside the church and have a deep desire to lead people closer to Christ. I am honored to be considered for this position and am excited to see all the opportunities and growth it will bring.
